

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2016 with regard to energy labelling of refrigerating appliances

**Supplier's name or trade mark:** TEMPTECH

**Supplier's address:** Marketing TEMPTECH, Borgeskogen 26 , 3160 STOKKE, NO

**Model identifier:** CPRO1800DRB

**Type of refrigerating appliance:**

|                         |     |                                |              |
|-------------------------|-----|--------------------------------|--------------|
| Low-noise appliance:    | No  | Design type:                   | freestanding |
| Wine storage appliance: | Yes | Other refrigerating appliance: | No           |

**General product parameters:**

| Parameter                                                                           |        | Value | Parameter                                                                           | Value                  |
|-------------------------------------------------------------------------------------|--------|-------|-------------------------------------------------------------------------------------|------------------------|
| Overall dimensions (millimetre)                                                     | Height | 1 835 | Total volume (dm <sup>3</sup> or l)                                                 | 460                    |
|                                                                                     | Width  | 655   |                                                                                     |                        |
|                                                                                     | Depth  | 700   |                                                                                     |                        |
| EEI                                                                                 |        | 115   | Energy efficiency class                                                             | F                      |
| Airborne acoustical noise emissions (dB(A) re 1 pW)                                 |        | 40    | Airborne acoustical noise emission class                                            | C                      |
| Annual energy consumption (kWh/a)                                                   |        | 124   | Climate class:                                                                      | temperate, subtropical |
| Minimum ambient temperature (°C), for which the refrigerating appliance is suitable |        | 16    | Maximum ambient temperature (°C), for which the refrigerating appliance is suitable | 38                     |
| Winter setting                                                                      |        | No    |                                                                                     |                        |

**Compartment Parameters:**

| Compartment parameters and values |    |                                           |                                                                                                                                                            |                            |                                                    |
|-----------------------------------|----|-------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------|----------------------------------------------------|
| Compartment type                  |    | Compartment Volume (dm <sup>3</sup> or l) | Recommended temperature setting for optimised food storage (°C)<br>These settings shall not contradict the storage conditions set out in Annex IV, Table 3 | Freezing capacity (kg/24h) | Defrosting type (auto-defrost=A, manual defrost=M) |
| Pantry                            | No | -                                         | -                                                                                                                                                          | -                          | -                                                  |

|                                  |     |       |    |   |   |
|----------------------------------|-----|-------|----|---|---|
| Wine storage                     | Yes | 460,0 | 12 | - | M |
| Cellar                           | No  | -     | -  | - | - |
| Fresh food                       | No  | -     | -  | - | - |
| Chill                            | No  | -     | -  | - | - |
| 0-star or ice-making             | No  | -     | -  | - | - |
| 1-star                           | No  | -     | -  | - | - |
| 2-star                           | No  | -     | -  | - | - |
| 3-star                           | No  | -     | -  | - | - |
| 4-star                           | No  | -     | -  | - | - |
| 2-star section                   | No  | -     | -  | - | - |
| Variable temperature compartment | -   | -     | -  | - | - |

#### For wine storage appliances

Number of standard wine bottles 131

#### Light source parameters:

Type of light source -

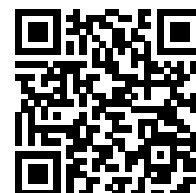

Energy efficiency class -

**Minimum duration of the guarantee offered by the manufacturer:** 12 months

#### Additional information:
