Spinster

Turntable stereo system

Rediscover the charm of vinyl with Eltax's Spinster amplified turntable.

Elegant, compact and equipped with built-in 2 x 8 W stereo speakers, it combines the authenticity of a turntable with the modernity of Bluetooth.

Thanks to its belt drive, DC motor and moving magnet cartridge, it offers faithful reproduction of your 33 and 45 rpm records.

A true all-in-one solution for enjoying your vinyl records and digital music with ease and style.
