

CLEAN Ultrafine particle filter
Cleanse indoor air of ultrafine airborne particles.

Product Benefits & Features

99.97% HEPA FILTRATION

Unique pre-charged filter provides a highly effective barrier against microscopic irritants, allergens and dust particles, trapping up to 99.97% of particles as small as 0.3 microns.

Proactive protection against viruses*

The filter features a unique combination of materials that captures up to 99% of trapped airborne viruses* such as H1N1.

*Tested for Influenza A virus A/PR8/34 H1N1 based on the external test in 2021 according to ISO 18184: 2019 (E).

Effective anti-bacterial protection

A special anti-bacterial coating captures common bacteria* enzymes at a cellular level, eliminating up to 99.99% of the captured bacteria to help prevent further growth inside the filter.

Intelligent purification at your fingertips

Each filter is equipped with a smart tag that measures the fine particle exposure and the filter lifespan. The app indicates when it's time to replace the filter to ensure fresh air in your home.

*Tested on Escherichia coli, Staphylococcus aureus, Klebsiella pneumoniae, and Serratia marcescens to GB 21551.2-2010 Appendix B standards in 2021.

Product Specification

ProductTitle	CLEAN Ultrafine Particle filter
DistriCode	9009236440
Brand	Electrolux
S_CN_0	CHINA
Bar code	7319599040308
Product Number Code	900 923 644
