

So powerful. So light. So easy to use

700 Cordless cleaner is as light in your hand as it is hardworking on your floors. Designed for effortless handling, this compact cleaner is packed with the power you need for thorough results with cordless convenience.

Product Benefits & Features

Powerful in every stroke, on every floor, forwards or backwards

Delivers up to 99%* dust pick-up with every forward and backward stroke – making cleaning fast and powerful. The AllFloor Auto nozzle glides from hard floors to carpets, ensuring thorough removal of dirt and debris.

*Based on internal test on hard floors using Boost mode according to IEC 62885-4 standard.

Powerful performance that lasts

A durable, powerful motor with Multiple Cyclone technology efficiently separates up to 98%** of dust for optimised performance. Delivers up to 3x* longer lasting suction that stays consistent, even when the dust bin fills up, helping the cleaner perform for longer.

*Compared with previous Electrolux 700 Cordless cleaner.

**Based on internal test according to IEC 62885-4 standard.

Designed to make light work of housework

Packed with power, compact with only 1.35 kg total weight in-hand, this cleaner is designed for functional ease and flexibility. Access every corner from floor to ceiling and use quick releases to easily move between cleaning tasks.

Intelligent suction power optimisation with Auto Mode.

Smart cleaning efficiency for all floor types with Auto Mode. Smart sensor adapts suction power to the floor type in real time, for optimal performance and extended runtime*. Always the right power in hand. Clean for up to 40 min with full cleaner**, covering up to 151 sqm*** and

*Compared to runtime in Boost mode. **Based on internal tests according to IEC 62885-4 standard measuring run time on hand unit and full cleaner on min mode.

***Cleaning coverage of complete cleanroom based on internal test using one double stroke to cover each sqm

Cleaner surfaces, cleaner air – with 6-step HEPA filtration

Advanced 6-step HEPA filtration captures up to 99.99%* of particles from 0.3 to 10 microns, including dust, pollen and pet dander. The new post-motor filter enhances filtration, ensuring cleaner air is released into your home.

- 2-in-1 function
- LED headlights in the nozzle
- BrushRollClean™ technology

*Based on internal test on particles in the size of 0.3-10 microns according to IEC 62885-4 standard.

Product Specification

Family	700 Cordless cleaner
Dust container capacity, l	0.3
Nordic_BP_BatterytypeVolt	21.6V, Cylinder cells (Li-ion)
Capacity mAh	2500
Running time Low Speed	40
Running time Normal Speed	20
Running time High Speed	10
RuntimeWithMins	40mins
Charging time, h	4,5
Noise, dB(A) – Completed stick	80
Storage	Wall Mounting
Accessories, other	Extra foam filter
Other comments accessories	-
Dimensions_BatteryPortableVacs	100,8x25x25,9
