

Your everyday, washed with care

The 600 top-loader washing machine with SensiCare system adjusts the length of the programme to match the size of your load. It uses the right amount of water, time and energy to deliver the perfect care to laundry, whatever the size of the load. Clothes look good for twice as long.

Product Benefits & Features

SensiCare System - Customised care in a shorter time

Our SensiCare System weighs each load and automatically adjusts the cycle, so that your clothes are cleaned for just the right amount of time. Preventing over washing and ensuring items retain their look and feel for longer.

Wash up to 50% quicker with TimeSave option

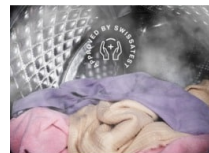

Experience thorough washing faster with TimeSave option. Press the button to reduce the machine's main cycle time by up to 50%. Your cottons and synthetics are treated to the same comprehensive clean, just in half the time.

FlexiDose drawer – effortless to use and clean

This top-loaded washing machine features a cleverly designed detergent dispenser at the rear of the top opening, making it easy to access when adding detergent or softener. The dispenser can also be removed effortlessly for cleaning.

Inverter Motor+ engineered for precision

Inverter Motor+ is the advanced evolution of the inverter motor. Its permanently magnetized rotor eliminates the need for magnetization, delivering precise control and consistency, and enabling accurate load recognition through a dedicated algorithm.

Steam Anti-Allergy Programme removes 99,99% of bacteria and viruses*

The Steam Anti-Allergy Programme, certified by Swisstest, combines a wash cycle and steam to remove more than 99,99% of bacteria and viruses* above 60°C. Pollen and allergens are also reduced for hygienically clean clothes after every wash.

- Washing capacity: 6 kg
- Maximum spin speed: 1200 rpm
- Energy saving inverter motor for increased performance and very silent working
- Woolmark Blue
- Anti-flood protection
- Silk program designed specifically for silk clothes
- Washing programs: Anti Allergy Vapour, Cottons, Delicates, Denim, Downing Jackets, Eco 40-60, Outdoor, Rapid 14Min, Rinse, Silk, Spin/Drain, Sport, Synthetics, Wool

* Tested for Staphylococcus aureus, Enterococcus faecium, Candida albicans, Pseudomonas aeruginosa and MS2 Bacteriophage in external test performed by Swisstest Testmaterialien AG in 2021 (Test Report No. 202120117)
