Highlights

Faster results with AirStretch

Experience faster*** steaming with AirStretch Technology. Its 2600Pa powerful suction**** gently pulls fabric flat, helping steam reach deeper for faster, more even results so you can look ready in no time.

Removes wrinkles in one glide

The powerful combination of steam and suction enables better wrinkle removal in a single pass**, leaving clothes looking smooth and fresh on any fabric.

No burn guaranteed

OptimalTEMP Technology keeps every ironable fabric safe, from delicate silk to sturdy denim. Steam confidently without changing settings or waiting for the right temperature.

Powerful steam performance

Up to 24g/min steam output and 1500W power remove even tough wrinkles quickly and effectively, giving your clothes a crisp, freshly pressed finish every time.*****

Steam anywhere, easily

Effortless one-hand steaming for precision as steam plate glides smoothly. Use it vertically for hanging garments or horizontally for flat surfaces whichever suits your style and space.

Three modes for every fabric

Choose what suits your garment best: steam only for quick touch-ups, low suction with steam for delicate fabrics, or high suction with steam for thicker materials that need a little extra care.

Ready to use in seconds

Always ready when you are. The steamer heats up in as little as 30 seconds, ideal for quick morning refreshes or last-minute outfit prep. Just switch it on, steam, and go.

Removable water tank

Enjoy the flexibility of two removable water tanks; 140 ml for quick touch-ups and 200 ml for larger loads. Steam up to 8 garments in one go without refilling, and when it's time to top up, simply detach, fill, and click back in place.

Kills 99.9% of Bacteria

More than just smooth; steam also refreshes your clothes. It kills up to 99.9% of bacteria and removes odours, keeping your garments clean and fresh between washes.*****

Specifications

Weight and Dimensions

Product Length: 16 cm
Product Width: 11.6 cm
Product Height: 30.1 cm
Product Weight: 1.1kg
Package Length: 33 cm
Package Width: 20 cm
Package Height: 14.5 cm
Package Weight: 1.9kg

Country of Origin

Produced In: China

General Specification

Product type: Handheld steamers
Heat up time: 30 seconds
Soleplate material: Ceramic
Refill any time during use: Yes
Vertical steaming: Yes
Warranty/Guarantee: 2 years
Noise level (standard): <76 dB

Technical Specifications

Power: 1500W
Continuous steam rate: Up to 24 g/min
Steam-on-demand: Yes
Voltage: 220-240V
Technology: AirStretch Technology and OptimalTEMP Technology

Safety

Automatic shut-off: Yes
Power On/Off Switch: Yes
Safe on all ironable fabrics: Yes

Convenience

Cord length: 2.5 m
Detachable water tank: Yes
Water tank: 140ml + 200ml

Design

Color: Charcoal Grey

Accessories

Included accessories: Door Hook

Sustainability

Packaging: Sustainable packaging
