

For unforgettable pizza nights at home in 2.5 minutes*

Reimagine your pizza nights with the Electrolux 3-in-1 Pizza Oven. With 380°C power, it delivers restaurant-quality pizza with a crispy-chewy crust at home in 2.5 minutes.

*Based on internal tests at 380°C for 2.5 minutes, preheating 20min. Results may vary by recipe, toppings, and settings.

Nordic Timeless Collection 3-in-1 -pizzauuni, joka yhdistää pizzauunin, Air Fryer -kiertoilmakypsentimen ja uunin samaan laitteeseen.

Kuluttajahyödyt & ominaisuudet

Bakes at 380°C for authentic, Neapolitan-style pizza

This countertop pizza oven reaches up to 380°C to give you restaurant-quality pizza right in your kitchen in under 2.5 minutes—high heat ensures fast cooking and perfectly crisp, evenly baked results every time.

3-in-1: Pizza oven plus air-frying and oven baking

Combining an indoor pizza oven, high-heat air fryer and full-function oven, this 3-in-1 appliance features a space-saving, minimalist design that delivers maximum versatility without taking over your kitchen.

Dual windows to monitor cooking from top and front

Dual front and top viewing windows let you monitor cooking without opening the oven or losing heat. An elevated design with a comfortable grip ensures safer, more convenient door opening and smooth operation.

Family-sized capacity in compact design

The spacious 13L interior easily accommodates family-sized meals and fits pizza up to 30 cm. Generous capacity gives you flexibility to cook larger portions in one go.

18 presets and precise temperature control

With 6 pizza, 6 air fry and 6 baking presets, plus precise temperature control, every recipe is cooked with ease. From Neapolitan pizza and fries to baking, drying and reheating, enjoy consistent results with zero guesswork.
